Concept: Post-Mustafar Darth Vader, Dark Lord of the Sith, Supreme Commander of the Imperial Navy. Cybernetically kept alive inside a pressurized armored suit. Master of Form V (Djem So) lightsaber combat. Uses telekinesis for Force choke, push, and pulling weapons from distance.

Power level: 500 pts (super-heroic).

Signature moves:

- Telekinetic Force Choke — Quick Contest of TK ST (25) vs. victim's HT/ST.
- Force Push — throw objects or people using TK ST 25.
- Lightsaber throw — Throwing skill at lvl 15, guided home telekinetically.
- Saber duel — Force Sword 19, parry 13 (+1 from CR, +3 from Weapon Master is via damage bonus, not parry).

Lightsaber damage: 8d(5) burn base. With Weapon Master (Force Sword) add +1/die = 8d+8(5) burn. Average ~36 injury after ×1 burn multiplier, shredding any normal DR.
